**THROUGH:** Dan Salgado, Lead  
Permit Process Engineering

**SUBJECT:** T2-000019, Chiquita Processed Foods, LLC, Payette  
Transfer of Tier II Operating Permit No. (#075-00002), Ownership Transfer of Tier II Operation Permit

**PROJECT DESCRIPTION**

This project is for the transfer of ownership of a Tier II Operating Permit (OP) to Chiquita Processed Foods, LLC, located at Payette.

**DISCUSSION**

On February 28, 2000, DEQ received an application for a Tier II OP from Chiquita Processed Foods, LLC's Payette facility. On March 29, 2000, the application was declared complete. The facility contact requested that the permit be transferred without any permit content changes. The new facility wide conditions were added to meet the present operating permit format.

**RECOMMENDATIONS**

Based on the review of the application materials, and all applicable state and federal regulations, the Bureau recommends that DEQ issue a proposed Tier II OP to Chiquita Processed Foods, LLC. No public comment on the air quality aspects of the transferred OP is recommended.
